

PA Chamber Minute

Monthly Video Email

Sponsorship Information

Launched in March 2009, the *PA Chamber Minute* is an exciting new way to keep Pennsylvania's business community up to date on pending legislation and issues that impact job creation and economic growth. Each month, the PA Chamber Minute arrives in the inboxes of 9,000 business leaders and executives, and is made available on the chamber's website, www.pachamber.org.

A sponsorship of this cutting-edge communication tool will serve to increase your brand awareness and create demand for your company's products and services through the following promotional package:

- Sponsor logo featured on opening screen and to left of video throughout the presentation with link to your website or to a separate video advertisement for your company (additional charges apply for video option)
- Quarter page ad in the chamber's quarterly statewide business magazine, *Catalyst* (circ. 12,000). **A \$1,350 value!** One ad is included for each sponsored month (for multiple-month sponsorships, ads may be combined to create larger sizes)

Sponsorship plans are available as follows:

One month	\$1,700
Three months	\$1,500/month
Six months	\$1,200/month
Twelve months	\$1,000/month
