

Call for applications

Are you a PA small business owner in need of relief?

The PA 30 Day Fund is seeking applications for a forgivable loan of \$3000 dollars to be awarded to small businesses across the state who are suffering as a result of the Pandemic.

Please click [here](#) to apply.

The application takes 10 minutes and we make every effort to respond within 3 business days.

To be eligible applications must meet the following criteria: (1) small business that employs between 3 and 30 people, (2) based in PA and operating for at least a year, (3) owned and operated by a PA resident, and (4) operated as a for-profit business. The funds disbursed to small businesses by the Pennsylvania 30 Day fund do not need to be repaid. That said, business owners who are able may choose to "pay it forward" by paying the proceeds back to the Fund to used to help another struggling small business.

The Pennsylvania 30 Day Fund is a non-profit with a simple mission: to save as many small businesses in our community as possible. The PA 30 Day Fund accomplishes this with \$3,000 forgivable loans to small businesses to cover payroll expenses, healthcare, rent, replenish inventory and pay operating expenses. We prioritize funding businesses that are doing everything they can to keep employees on the payroll at this challenging time.
